Federal Communications Commission

Regarding RM-11727

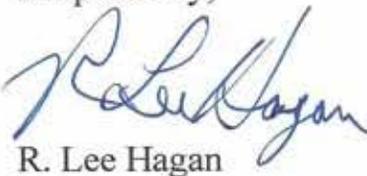

I am R. Lee Hagan, owner of WCSN-FM, a Class A station in Orange Beach/Gulf Shores, Alabama. We are the only local FM station serving the area.

I support the FM Class C4 / 73.215 petition filed by SSR Communications and urge the Commission to adopt the proposal.

The area I serve is one of the fastest growing areas in the country. Our ability to provide desired service for the rapidly expanding area would be greatly enhanced were this change implemented by the Commission.

I ask your support for this proposal.

Respectfully,

R. Lee Hagan
