RFD-TV has been a great success for all the 50 states of the United States. In every state there is farming, gardening, horses, cattle, and a large population in every state enjoys very nice country music. Even though some families in metro markets may not watch many country farming & country music shows, every state in the US will benefit with this profitable channel. Each state and each satellite or cable company needs to keep RFD-TV channel on their system.
