Re: Acceleration of Broadband Deployment
WC Docket No. 11-59; WT Docket Nos. 13-238, 13-32

Dear Ms. Dortch:

On August 13, 2014, AT&T published a blog on our website titled "Accelerating Broadband: DAS Good". This blog addresses our support for the proposed FCC actions to streamline and accelerate the siting of broadband infrastructure. It is consistent with what we have already filed in the above mentioned proceedings. This blog can be viewed at <http://www.attpublicpolicy.com/fcc/accelerating-broadband-das-good/>.

Pursuant to Section 1.1206 of the Commission's rules, an electronic copy of this letter is being filed for inclusion in the above-referenced docket.

Respectfully submitted,

A handwritten signature in black ink that reads "Jeanine Poltronieri".
