Rebeltec Communications LLC is a locally owned and operated business based in Cheyenne Wells, Colorado. Our primary service is Dial-up and High Speed Wireless Broadband Internet, although we now offer many other services as well. Rebeltec was proudly started in 2000 as the very first Internet Service Provider (ISP) in Cheyenne County. We base our company practices on honesty and integrity. Thanks to all our loyal customers we have been able to offer more services and provide coverage to more communities.

CAN

Rebeltec is an authorized Dealer for Wilson Electronic, Inc. Give us a call or stop by if you are in the market for a cell phone amp. Works with almost any cell phone and provider. Have the confidence that you'll have service when you need it!
