## Residential Internet Options

### Residential: SoHo Class

This service option is available for 1 to 5 users per account, with 5 email addresses per account and FREE cloud storage. Requires a minimum one-year contract. Check our [coverage maps](#) for availability.

### Residential: Metro Class

MetroClass is our newest product and our fastest service available to residents who demand the very best. Speeds from 5 to 50 megabits per second. Metroclass Service currently available in [Harrisonburg, VA](#).

### Residential: HSL Apartment

If you currently reside in Urban Exchange, Madison gardens, City Exchange, Campbell Court, or Mountain View in Harrisonburg, VA then good news is ahead for you! Highspeedlink now provides free internet in those apartment complexes in addition to our paid 5 meg and 10 meg service plans! [Get more details.](#)

### Flat Rate National Dial-up

Nationwide dial up is available. This includes five-email addresses and 10Mb of web space. We offer Accelerated Dial-up service using Slipstream Compression. The Slipstream Dial-Up Accelerator is a breakthrough in web technology. With this new system, your web pages will load faster than ever. Our SlipStream System will also accelerate email traffic using a lossless compression which means your email will load in an instant.
