**Re: CONFIDENTIAL INFORMATION – FILED UNDER PROTECTIVE
ORDER IN WC DOCKET NO. 10-90**

Dear Ms. Dortch:

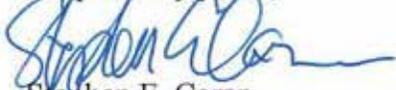

Pursuant to the Wireline Competition Bureau's July 31, 2014 *Basic Guide to the Connect America Phase II Challenge Process* (the "Guide"), Intellwave, LLC has submitted confidential information in support of its filing of FCC Form 505 for purposes of the Connect America Phase II challenge process. The confidential information is found at Exhibits F1, F2, F3 and F4 of the challenge filing.

The confidential information consists of account numbers, bills and invoices sent to Intellwave customers demonstrating that Intellwave provides the requisite service in certain census blocks requiring those blocks to be considered "served" for purposes of Connect America Fund Phase II.

As instructed in the *Guide*, a copy of this letter is being filed in WC Docket No. 14-93.

Please contact undersigned counsel if there are any questions concerning this matter.

Respectfully yours,

Stephen E. Coran
Counsel for Intellwave, LLC
