Who grows the food, work the land, grows the livestock and compete on horseback. The real people of this country. Not the slutty, trashy, immoral junk on the other channels. We are the forgotten Americans because we work hard, live our lives productively, and care about each other. We are not on tv because we're too busy working. Is it too much to ask for one single channel for us!?? I am sick and tired of the mess on other channels. I want my RFD!!!!!!!!!!!!!!!!!!!!!!!!!!!!
