80% of Directv programing is JUNK or paid advertising, they get paid to show and charge us to watch. Their programing stinks and they repeat the same shows year after year.

We are forced to have satilite because the Federal Government changed the signal and where we live, we can't get any local antenna signal and there is no cable
Now they want to do away with RFD Tv whui ch is one of the few decent channels
Most of the other channel is Sell you junk, Sex or or violance not fit to watch.
The federal groerment shout what the junk Direct has on and is charging us for and make them inprove their programing NO WONDER KIDS GO ON KILLING SPREES THATS ALL THEY SEE ON TV
