

7521770415.txt

Please continue broadcasting RFD-TV on Direct TV. My family has horses and we enjoy the various horse advice and training shows by the top trainers such as Clinton Anderson, Craig Cameron, and Chris Cox. This channel is the only source many riders such as us have to receive this information. Urban programming is important, but please do not eliminate this one channel for your rural customers. Thank you for your attention.
