We need to continue rural tv because we train/breed horses and learn from some of the programming...also get market reports and related info...best of all we can find some wholesome tv viewing for the whole family..my parents/and my family love watching Hee Haw..Larry's country dinner...country family reunions, etc...have directv and there are so many stations on that have "nothing"on them...don't need qvc, alajeerza tv,jewelry channel...so many unnecessary channels/programming.... keeps costing us more and less good programming/channels to watch...KEEP RFD/RURAL TV!!!!!!!!!!!!!!!!!!!!!!!!!!!!
