**Re: Notice of *Ex Parte* Presentation, CC Docket No. 95-116; WC Docket No. 07-149;
WC Docket No. 09-109**

Dear Ms. Dortch:

On Thursday, August 14, 2014, Neustar, Inc. representatives Becky Burr, Deputy General Counsel and Chief Privacy Officer, and Aaron Goldberger, Vice President, Regulatory Affairs, and Neustar counsel Stewart Baker of Steptoe & Johnson and Michele Farquhar of Hogan Lovells (collectively, "Neustar") met with Kenneth Moran and Allan Manuel of the Public Safety and Homeland Security Bureau, Diane Griffin Holland and Joel Rabinovitz of the Office of General Counsel, and Sanford Williams of the Wireline Competition Bureau.

During the meeting the parties discussed the appropriate level of redactions for security-related information included in submissions by commenters in this proceeding, including Neustar's initial comments filed July 25, 2014. Neustar noted that its initial redactions reflected its understanding of the FCC staff's approach on national security and critical infrastructure information based on bid document redactions requested by the FCC, made with the further understanding that the FCC would determine procedures to make such information accessible to interested parties in the proceeding within a short time frame. Neustar expressed its continuing commitment to working with FCC staff to make available to the public as much information as possible, while respecting the important safeguards that the Commission has put into place to protect national security and critical infrastructure information. Stewart Baker and Allan Manuel reported on this basis that they had reviewed and agreed upon previously redacted material to be made publicly available.

Pursuant to Section 1.1206(b) of the Commission's rules, I am filing this notice electronically in the above-referenced dockets. Please contact me directly with any questions.

Respectfully submitted,

/s/ Michele Farquhar
