

Appeal for St. Johnsbury Athenaeum Form 471 BEN#122158

Please consider this request for a waiver for the filing of Form 471 Application # 992367 which was filed on 4-1-2014 ( 6 days late). My understanding is that waivers have been issued for those that were less than 14 days past due. I have not received a decision letter from the USAC but hoped that a decision could be made now instead of waiting for that communication.
