.Comcast is like AT&T that the government broke up as a monopoly. The service already sux. They treat their employees horribly. Several years back John Goddard fired my husband when he asked to meet in the Maxwell House HOTEL LOBBY. Goddard had not budgeted enough money for that year, but obstensibly it was giving an employee he managed a \"call in\" lead. It was right begore Christmas and he didn't want to fire him. SO Goddard fired my husband, Cary Carver after 23 years. Itwas trumped up. They are still \"finding\" reasons to fire people who have been there a long time so they can hire some kid for next to nothing. I think they should be investigated for this. Also, now they hire subcontractors instead who aren't very capable but cheap. People from Comcast here in Nashville still call my husband if they have a problem they can\"t figure out. He knows every buolding in town and is extremely knowledgable. He has many contacts on Nashville as he has lived here all of his life. Even my mom was indignant at how they treated him and called. My mom is a mouse and avoids conflict like the
