Oh when will it ever end? GREED, GREED, GREED!!!! I Am sick and tired of all the corrupt GREEDY corporations and the SEEZBALL politicians that are killing this country with their GREED!! Now they want to take over free over the air broadcast so people will be forced to pay them to see T.V.

I am currently forced to pay for nothing but their CRAP programing. OVER 200 chanel s and you can't find anything to watch!!! BUT YOU STILL HAVE TO PAY THEIR HIGH PRICE!! GEE WIZZ. Everyone loves programs like "MY NEW BRA!", "MY PROSTRATE!" I cant' hardly contain my self! I just heard that the latest new CRAP will be "HOW TO BOIL WATER, FOLLOWED BY "HOW TO WASH YOUR HANDS!"

I don't know how I will be able to sleep until I can watch some more of their over priced CRAP!!!

And now the GREEDY BASTARDS want to kill free tv and monopolize that also!! ENOUGH IS ENOUGH!! keep free tv alive and stop these greedy bastards!!
