. this is a bad idea. Comcast is greedy and charges too much. They don't ask if you want to upgrade your xfinity cable box they just show up saying they have to change it out to put in the one with the upgrade, this in turn makes cable prices go up. Something I didn't agree to. My plan was fine and that is why I didn't want another plan or upgrade. We have had both time Warner and Comcast and I Love time Warner. Their prices are much better and for the same if not better package and service. With time Warner we had two cable boxes and internet, now with Comcast we have the same plus phone. We paid \$80 for time Warner and with Comcast it's around two
