I am a Comcast customer. I am disabled and sixty- four years old. I am paying \$200.00 per month for basic cable and extended cable without any HBO or SHOWTIME, etc. I also have a internet and a phone in a bundle...I can't get out of the phone service so I am paying for a Comcast phone and a Vonage phone. There are no packages for what I have minus the phone for seniors ir disabled. Money is the ultimate issue with them. They have caused me legal problems...which is a whole story unto itself. The service is chronically out in my area. They give a credit then take it away when the bill is tallied for the month. We don't count as customers or as human beings. What I don't understand is how you can alliw this merger...a monopoly...to take place...when AT&T and The Bell phone system to bresk-up due to it being a monopoly! What is the difference? More crucial is the horrific power that you will give this corporation! Control of this MEGA-MONOPOLY will ultimately be the issue. Who is running this country now? There have always been huge and powerful corporations in the U.S....but now these corporations truly have so much power and control over the minds of people in thus country and around the world...and modt of it is NOT GOOD!!! We, as a people, ARE LIKE ROBOTS...TURNED ON AND CONTROLLED BY the mefia outlets that both of these companies control. We have no voice anymore. IT IS LIKE THE BOOK...1984...but instead of the government having control over our lives...it is huge conglomerates! Please fo not allow GREEDY COMCAST SHOULD HAVE ANY MORE POWER AND CONTOL OVER THE INDIVIDUALS AND CITIZENS OF THE UNITED STATES OF AMERICA...and have the TREMENDOUS NEGATIVE INFLUENCE ON THE REST OF THE WORLD...AND A NEGATIVE REFLECTION OF THE UNITED STATES...HIRING OUTSIDE OF THE U. S. AND HELPING CHINA AND OTHER COUNTRIES FLOURISH...INSTEAD OF GROWING AMERICA AGAIN! THERE ARE ENDLESS PROBLEMS WITH THIS SITUATION...I HOPE YOU UNDERSTAND WHAT I AM SAYING...AND VOTE AGAINST THIS MISTAKE! THANK YOU!
