Monopolies used to be illegal. There were reasons for that: \* Competition is eliminated \* Consumer choice is eliminated \* Jobs are lost \* Prices increase \* Quality decreases \* Customer service is no longer necessary \* The little guys are put out of business Reason for Monopolies: \* Corporate greed We're down to only one or two banks, grocery stores, dept. stores, hardware stores, etc. and it has not been good for the economy or the consumer. Stop the madness.
