I would like to express the thought of getting rid or making it harder to view Rual TV is a slap in the face to the people over the years and today feed our nation and the world. Trying to reduce the publics view of our heritage is wrong. Today with all the violence on tv and radio social media. Rual Tv is the only up lifting positive things we have to watch. The teaching of values to our country and youth are important. Rual TV highlights youth in 4-H and FFA. Please let us continue to view such programs.
