I do not want to lose rfd tv from direct tv. W
I have been a subscriber to direct tv for four yrs and the only reason is rfd
programming. RFD is the only reason I left Cable. I feel it is important that those
of us who live and work in rural areas to have family oriented programming
available. RFD is the only channel on the direct tv system that I can allow my
grandchildren to watch without fear of ungodly, inappropriate programming coming
on. Please reconsider your choice to remove it from
direct TV system.
