Please keep the RFDTV in your programming. Young people need to be able to see where their roots are and how America works. All that seems to be on the regular TV programming is murder shows. Since Jay Leno retired it seems the late night humor transformed into pure stupidity. Quite a lot of us out in the viewing areas are questioning whether to even keep the piped TV or not. Without RFDTV you will answer that question for a whole lot of people. Plus, your repeated over and over reruns are getting pure overwhelming.
