

7521812567.txt

This is to urge you to deny the ATT/Direct TV merger. This merger will surely be the death of television programming involving rural TV shows such as RFD TV. This channel or network and others are a delight for many and provide a learning experience. Many people enjoy their programming involving farming, training horses, old time music such as the Cumberland Highlanders bluegrass show, and so many others. These are things not shown anywhere else.
