I am asking that you do not follow through on an action that would cause the RFD channel to no longer exist. This channel has been a great for entertainment, learning opportunities about agricultural, horseman to enhance their knowledge, etc.

At one point in time I was going to switch to Cincinnati Bell fi optics, however, they did not cover the RFD channel and I cancelled the scheduled switch. As I am sitting here writing this, I am watching the program on in farm shop and machinery show.
