My wife and I watch RFD-TV every day. We find the shows very informative. We enjoy watching the cattle auctions, country music programs, and other educational programming. We believe there is something for everyone!

Other than watching local news or St. Louis Cardinal Baseball, we don't watch any other channel but RFD-TV.

Please don't remove the channel from the DirectTV lineup. The programs are wholesome, great fun and educational.

We appreciate your consideration in this matter and ask that you allow RFD-TV to continue.

Thank you!
