My RFD TV is important to me. RFD does not carry awful sexually aimed commercials. I like the old Roy Rogers westerns in black and white; the bull rider shows; the rodeo shows; "Hee Haw"; "Country Family Reunion"; "Larry's Country Diner"; the "Music City Show"; all the horse shows; all the horse training shows and lots more. I find RFD TV to be a refreshing station at the end of my busy day every day. I REALLY am distressed about losing my RFD TV!
