**Re: Clarification:  
WC Docket No. 14-104  
File No. SCL-T/C-20140707-\_\_\_\_\_**

Dear Ms. Dortch:

This letter is to clarify the status of The Opposition to the Level 3 Communications and TW Telecom Inc. 214 Applications to Transfer Authorizations of Subsidiaries of TW Telecom Inc. to Level 3 ("Opposition") filed by Foreman Seeley Fountain (FSF) by its counsel, Womble Carlyle Sandridge & Rice (WCSR). Please be advised that the Opposition contains no confidential information.

On the 18<sup>th</sup> of August WCSR contacted TW Telecom and advised it that it would be filing the Opposition and that it would contain a copy of and references to the contract documents between TW Telecom and FSF. TW Telecom admonished WCSR that the contract documents and the provisions therein were confidential. Therefore, on August 18, 2014, WCSR filed through ECFS a "redacted" version of the Opposition and followed it with a paper version filed with the Commission's Office of the Secretary, which was marked "Confidential".

Subsequently, on the 19<sup>th</sup> of August, TW Telecom, via email, advised WCSR that it had reconsidered and that it was no longer asserting that the contract documents were confidential. Accordingly, WCSR, on behalf of FSF, filed a clean un-redacted version of the Opposition. The Supplement, Confidential, and Redacted versions of the Oppositions are identical except that in the Redacted version the information previously claimed by TW Telecom as confidential was redacted.

Accordingly, please remove all confidential references in FSF's Opposition. The Opposition may be viewed by any interested party.

Should any question arise concerning this submission, please communicate directly with this office.

Respectfully submitted,

Mark J. Palchick
