Re: In the Matter of Connect America Fund, WC Docket No. 10-90, CAF Phase II Challenge Process, WC Docket No. 14-93: CenturyLink Re-Submission of FCC Form 505

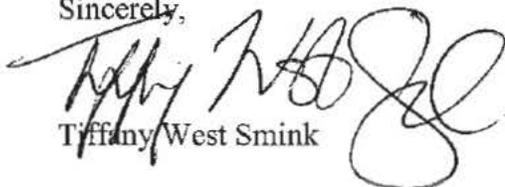

Dear Ms. Dortch,

With this letter CenturyLink is re-submitting its FCC Form 505 previously submitted on August 14, 2014 as part of the Connect America Fund (CAF) Phase II Challenge Process. CenturyLink previously submitted the full form into the Federal Communication Commission's (Commission) Electronic Comment Filing System (ECFS) in a Microsoft Excel format. Unfortunately, however, this resulted in only the first page of the form being available for public viewing in ECFS. CenturyLink also submitted all of its supporting evidence in ECFS in Adobe Portable Document Format (pdf) and all of those files have been available for review since August 14. Those files also reflect all of the census blocks that CenturyLink is challenging by the type of challenge.

In order to allow the full Form 505 to be available in ECFS CenturyLink is resubmitting its Form 505 in several Adobe pdf files. Only the file format of the form has been changed; the substance of the form is the same as the Form 505 document submitted on August 14. This re-submission should enable interested parties to view all of the census blocks that CenturyLink is challenging as reflected on the form.

Please contact the undersigned with any questions you may have regarding this letter.

Sincerely,

Tiffany West Smink
