

Erratum

The Calculation Working Group of the White Space Database Administrator Group published data which represents television station contours for eight representative stations within the USA. The ECFS link is <http://apps.fcc.gov/ecfs/comment/view?z=hd8eg&id=6018324561> for the posting and <http://apps.fcc.gov/ecfs/document/view?id=7521824358> for the document. The document was in the form of a Portfolio PDF with eight individual PDFs within it. The ECFS does not support this format so we are re-posting the eight individual PDFs, as well as the cover letter.
