This is in relation to the FCCs backsliding on vulgarity and pornography on TV and public airways. Our nation is struggling to get its moral bearings. We are a judeo christian society and we need to uphold the values we were built on or we will fall. The military is having lots of problems with sexual abuse and suicides. Nudity on TV especially over broadcast that kids can access will damage our homes and our society. Allowing vulgarity and nudity on TV to spread will only invite further harassment in the workplace.
