

7521827505.txt

ok you greedy whores. you corrupt money-grubbing sluts. you cum-guzzling assholes who make chinese prostitution rings look like disneyland. I know you aren't going to do your job and stop these corporate assholes because they just got done buying you a new house in the caribbean and hiring 20 hookers to lick whip cream off of your entire body. but if any of you have any decency, you need to stop this shit
