

AT&T-DIRECTV

Proceeding #14-90

To Whom It May Concern,

I would like to express my deepest concern over the potential loss of RFDTV. RFDTV is one station I enjoy the most in watching. Most of today's stations are full of sex, drugs, and other morally corrupt views. RFDTV shows good family TV that does not corrupt our youth, and brings back great child memories.

Recently my family joined DIRECTV, and have been happy. Should the cancelation of RFDTV go through I will be forced to cancel my account with DIRECTV-AT&T.

Sincerely

Chad Wichhart
