Dear Ms. Dortch:

On September 3, 2014, James Arden Barnett, Jr. of Venable LLP, and Jason Carey and Erin Sheppard of McKenna Long & Aldridge LLP, on behalf of Telcordia Technologies, Inc. d/b/a inconectiv (“Telcordia”) met briefly with Allan K. Manuel, Deputy Chief, Operations & Emergency Management Division, Public Safety & Homeland Security Bureau (“PSHSB”) of the Federal Communications Commission (“FCC”) and Greg Intoccia, Senior Legal Counsel in PSHSB, regarding the portion of the Neustar, Inc. (“Neustar”) Reply Comments and Supplementary Reply Comments filed on August 22, 2014 that had been redacted by Neustar.

We delivered to Mr. Manuel and Mr. Intoccia in the FCC Sensitive Compartmented Information Facility (“SCIF”) a letter objecting to the over-redaction of certain information in the Neustar Reply Comments and Supplementary Reply Comments filed on August 22, 2014 and requesting the redactions be removed for specific lines and pages.

The reasons for the request for removal of the redactions are listed in the letter, and a copy of the letter will be made available to counsel for Neustar upon application for it in the FCC SCIF. The letter is not being filed electronically in accordance with the FCC’s instructions for handling information in the SCIF that relates to national security and critical infrastructure protection, but it is intended to be part of the record. Mr. Manuel has acknowledged receipt.

This public letter is being filed in accordance with the FCC Rules and the letter delivered to Mr. Manuel on September 3, 2014 is incorporated by reference unless the FCC clears the letter to be filed publicly.
