we went 2 war against d socialist block, Nazi's, and d communist block, Stalin, yet in dis country we r not doin a thing 2 stop d socialistic ideologies that those with wealth and power r attempting 2 control our minds. To 2 der way of thinking. Hilter and Stalin used military might, but 2 day they are use monetary might.

kinds of reminds that 1984 is closer than we can imagine. Be brain dead, think what we want u 2, watch what we want u 2, eat what we want u 2, now it is in our schools. D meals r for physically inactive lazy children, but 4 those that r active, d meals do not give d supplemental requirements dat der bodies require.

we r bein deprived of social knowledge, and d choices of freedom 2 learn and develop, only if u r 1 of der select few den can u develop.

I can go on, and on and on, but eyes have 2 b opened and very quickly, so please look NOW 2 c what is goin on, and 4 get about d dollar.
