RE: WT Docket Nos. 13-238, 11-59

Dear Ms. Dortch,

Crown Castle is submitting this filing to supplement the record in WT Docket Nos. 13-238 and 11-59 with the attached photographs. The photographs provide examples of neutral host DAS and small cell facilities deployed by Crown Castle, with the capability of supporting multiple carriers. Some of the photographs show what is considered a more-typical deployment on utility poles within the public right of way, while others demonstrate how similar facilities have been deployed at historic properties.

If you have any questions about the filing, the undersigned can be reached at 510-290-3086, or by email at Robert.Millar@CrownCastle.com.

Sincerely,

A handwritten signature in black ink, appearing to read 'Robert C. Millar'.

Robert Millar
Associate General Counsel
