

September 17, 2014

I am Philip Lizotte, owner and General Manager of KSiG-FM. I support the FM Class C4/73.215 petition by SSR Communications, and urge the Commission to adopt the proposal.

Having been the owner of this station since 1993, I can tell you that we constantly get calls as to why our signal is so weak. This truly hampers our ability to reach all those residents in the area who have an interest in our community service programming. Programs and events that are of interest and uniquely offered by our station are often not able to be heard due to the weak signal.

This accommodation would indeed serve a public that is not currently being served.

Thank you for your consideration.

Philip E. Lizotte
