**SECTION 3 - SERVICES AND RATES (CONT'D.)****3.3 Miscellaneous Rates and Charges****3.3.1 Public Telephone Surcharge**

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all interstate, intrastate and international calls that originate from any domestic pay telephone used to access the Company's services. This surcharge, which is in addition to standard price list usage charges and any applicable service charges and surcharges associated with the Company's service, applies for the use of the instrument used to access The Company service and is unrelated to the Company service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and other interexchange carriers. The Public Pay Telephone Surcharge applies to the initial completed call and any reoriginated call (i.e., using the A#@ symbol).

Whenever possible, the Public Pay Telephone Surcharge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Public Pay Telephone Surcharge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.

The Public Pay Telephone Surcharge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.

**SECTION 3 - SERVICES AND RATES (CONT'D.)****3.3 Miscellaneous Rates and Charges, (Cont'd.)****3.3.2 Billing Cost Recovery Fee**

In order to partially offset increased expenses associated with billing calls via local exchange carriers, an undiscountable billing cost recovery fee may apply each billing period in which calls are billed through a Customer's local exchange carrier. The Company will implement this fee based on the arrangement with a specific Correctional Institution. This fee will be charged only once per billing period regardless of the number of calls. The fee will not apply in any billing period in which no calls are billed via the Customer's local exchange carrier. This fee does not apply to prepaid services paid for by commercial credit card, check, money order or wire, or for services billed directly to the Customer by the Company.

Per Month: \$2.50

**3.3.3 Carrier Cost Recovery Fee**

This fee allows the Company to recover expenses that the Company incurs with regard to state regulatory fees. This is not a charge imposed or required by any government entity.
