

# LPTV Displacement Problem #1

## Channels 51-38

LPTV Licensees Are Being Forced To Contribute 16,000 MHz Of Spectrum With No Compensation And No Relocation Funding!  
**It Will Cost LPTV Licensees Currently On Channels 51-38 More Than \$270 Million To Move To 36 and Below!**

There will also be over 2000 LPTV licensees from 14-38 which will be displaced by participating primary stations coming into the new TV core.

**Clearing 51-38 Will Displace More Than 2650 Small Diverse Businesses...**

- > **1272 Built/Licensed LPTV LD Stations**
- > **535 Built/Licensed TV Translator Stations**
- > **793 LPTV LD Construction Permits**
- > **50 TV Translator Construction Permits**
- > **Almost 16,000 MHz of Spectrum!**

\* Based on a May 2014 CDBS Analysis
