Re: *Investment Company of America Fund, WC* File No. 14-90

Dortch:

As reported in the Commission's public comment letters, the Commission issued an order on June 10, 2014, regarding the proposed amendments to the Investment Company of America Fund, WC (the "Fund") to increase the percentage cap on the Fund's investments in securities of the same issuer from 10% to 15%. The Commission's order was based on its analysis of the Fund's investment strategy and the potential for conflicts of interest. The Commission's order is effective as to the Fund on September 11, 2014.
