RE: USF Certification B FCC Docket No. 10-90

Enclosed for filing in FCC Docket No. 10-90 is an affidavit certifying that all federal high-cost support provided to United Telephone Mutual Aid Corporation was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

The undersigned carrier has also filed this affidavit with the North Dakota Public Service Commission, and it is anticipated that the North Dakota Public Service Commission will also certify by October 1, 2014, that the undersigned carrier will only use said universal service support for its intended purpose. However, because of the importance of this issue, and the fast-approaching certification deadline of October 1, 2014, the undersigned carrier is also providing certification directly to the Federal Communications Commission to ensure that the undersigned carrier continues to receive the universal service support for which it is eligible.

Should you have any questions please feel free to contact me.

Sincerely,

Perry Oster
General Manager
