Brt Ceo Leon pearson Accenture Satellite mobile vendor is streaming the Affordable
Obamacare healthcare.gov services for president Baraco obama. In Jan 2011 and on
April 2 nd 2012 I was given a temporary fcc license #0021654321. Now i have bid on
the Ntc mta wireless telecommunicatons contract Rfp#10465 and mr Damon Chan Nyc
Metropolitan Transportation Authority Mta procurement Officer is requesting my Fcc
Satellite wireless mobile Broadband License to stream Obamacare healthcare.gov
services with globalstar my parent satellite co. I must also do a signal test before
october 8 th 2014 to insure the Globalstar satellite cell phones work at 27 Nyc mta
bus depot and train Railyard locations in the nyc 5 broughs. This is a huge
opportunity to ramp up Obamacare enrollment to get 40 million Americans to sign up
for Obamacare on a new Obamacare satellite mobile device. If possible could the Fcc
cmmi ssi oner send my Fcc satellite mobile wireless telecommunication license to Mr
Damon Chan Mta Nyc procurement Mgr at 347 Madison Ane Metropolitan Transportation
Headquarters.
