Re: Modernizing the E-rate Program for Schools and Libraries, WC Docket No. 13-184

Dear Ms. Dortch:

On September 18, 2014, Blair Levin, Joni Lupovitz, and Daniel Krinsky of Goldman Sachs, all on behalf of the LEAD Commission, spoke by telephone with with Jon Wilkins, Patrick Halley, Allison Baker, Kate Dumouchel, Charles Eberle, Lisa Hone, Steve Rosenberg, and Jay Schwarz. On the call, we discussed how to model the costs of connecting schools to fiber as called for by the FCC's recent E-Rate decision. We also discussed various sources of publicly available information and how a model could reflect the impact of different options for connecting the schools.

Please contact me if you have any questions regarding this meeting.

Sincerely,

/s/ Samuel L. Feder
