Re: Notice of Oral Ex Parte Presentation
RM-11697; IB Docket No. 13-213; RM-11685

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the rules of Federal Communications Commission,¹ Iridium Constellation LLC (“Iridium”), by its attorneys, hereby notifies the Commission that on September 18, 2014, Matthew Desch, Chief Executive Officer, Thomas Hickey, Chief Legal Officer, and Donna Bethea-Murphy, Vice President of Regulatory Engineering, all of Iridium, and Gregg Elias and the undersigned, of Wiley Rein LLP, counsel to Iridium, held meetings with (1) Chairman Tom Wheeler, Diane Cornell, and Troy Tanner; (2) Commissioner Michael O’Rielly and Erin McGrath; (3) Commissioner Ajit Pai, Matthew Berry, and Erika Shannon; and, (4) Commissioner Jessica Rosenworcel and David Goldman to discuss Iridium’s revised spectrum proposal, filed in the above-captioned proceedings.²

In the meetings, Iridium reviewed the procedural history and substance of its revised proposal, which would make a modest but significant amount of new exclusive and shared spectrum available to Iridium, without detrimentally affecting Globalstar’s global business operations.

Please contact the undersigned with any questions related to this filing.

Best regards,

/s/ R. Michael Senkowski
