to Ginnie, me, Jeremy

I have attached a copy of the signed appeal.

I receive a voice mail from Brett Alterman from Resilient Intelligent Networks on 10/21/2013 at 5:09 PM. In the voice mail, Brett states, " We have one date that needs to be changed that has already expired." He also said, "Once the change is made we can talk about timeframes and projects."

I still have a copy of the voice mail on my phone.

Please let me know if you have any questions.

Thanks,

Brenton White
